Jumping H Farm Re3 Adoption and Therapy Contract Regarding Sale or Change of Hands of Adopted Horse

Regardless of circumstances, ADOPTER understands and agrees that _____
NAME OF HORSE

adopted on ___/___/___, SHALL NEVER be sold by means of equine or livestock auction, or directly sold for meat/slaughter, and may not be sold, given away, lent, leased or removed from Adopter's personal supervision except as set forth in the following paragraph regarding Right of First Refusal.

If at any time, the Adopter wishes to sell, lease, trade, give away or in any way change control of the above named horse, **JHF Re3** must be offered right of first refusal and be notified with confirmation of notification. Adopter agrees never to sell horse for slaughter or send through an auction, and understands that doing so would be in violation of the Right of First Refusal. JHF Re3 has the right to purchase the horse back by matching a bona fide offer, proof of which will include name, address and telephone number of intended purchaser.

Should a Right of First Refusal **not** be offered to JHF Re3, adopter faces possible attorney fees and costs of rescue and rehabilitation. Failure to notify JHF Re3 of the transfer of said horse is grounds to void the adoption, transfer and/or sale and the horse may be removed without court order.
